## WHAT IS 2010 IN 2010?

If 2,010 people each donated \$10.00 in 2010, we could provide over 2,010 homeless and abused animals the protection and care they deserve!

2010 IN 2010 will eliminate the need to scale back on the vital services we provide to our service area!

2010 IN 2010 will ensure the continued services desperately needed by the homeless and abused animals we encounter throughout the year!

Your financial support to 2010 IN 2010 will remain in our community to provide local animal services!

## LYCOMING COUNTY SPCA'S 2010 IN 2010 CAMPAIGN

As a result of recent community budget cut-backs, the Lycoming County SPCA has lost a tremendous amount of funding.

With decreases in funding may come decreases in the amount of community services we are able to provide.

To avoid this potential loss of valuable community services, the Lycoming County SPCA is launching our first-ever

### 2010 IN 2010 Campaign.

***THIS YEAR IS MORE IMPORTANT THAN EVER THAT WE RALLY THE COMMUNITY FOR THEIR SUPPORT.***

***THE 2010 IN 2010 CAMPAIGN IS A GREAT WAY TO HELP!***

To show you just how much we appreciate your support to our **2010 IN 2010 Campaign:**

- ❖ The first 2,010 people who contribute their \$10.00 pledge to the **2010 IN 2010 Campaign** will be included on our **2010 IN 2010 commemorative plaque**, that will be forever displayed in our shelter's foyer area.
- ❖ You will also receive acknowledgment in our **2010 IN 2010 Campaign media release**, which will be distributed to area newspapers, on our website and in our newsletter.

The Lycoming County SPCA is the county's only locally operated, full-service shelter and operates entirely on the support of its donors. All contributions to the Lycoming County SPCA remain within our service area. We are not supported or affiliated with any other state or national animal organization, humane society or SPCA.

The only way to ensure your contributions are used to support local animal services is to donate directly to the Lycoming County SPCA
