## What is Adopt-A-Day at the SPCA?

Did you know that it costs the SPCA over  
\$1,600.00 a day to provide care for the  
animals in it's shelter?

Did you know that you could adopt a day  
at the SPCA to help cover these costs?

To help cover the increased daily animal  
care expenses of the shelter, the  
Lycoming County SPCA has launched  
"Adopt-A-Day at the SPCA."

## Patrons who Adopt-A-Day at the SPCA will receive:

- A special occasion card, indicating  
your designated day in your honor.
- Have your name listed on the SPCA's  
web-site and Facebook Page.
- Receive a picture of an animal adopted  
on your special day.
- Have the opportunity to name an  
incoming stray animal.
- Receive a personal tour of the shelter.  
(If interested, please contact the SPCA to  
schedule)

## ONE DAY AT THE SPCA.....One investigation spares eight animals from a life of sorrow, abuse and neglect.

During October 2010, the Lycoming County SPCA obtained a search warrant to investigate a suspected house full of neglected dogs located in Shrewsbury Township.

Upon arrival, it was apparent that what was seen could only be described as a nightmare! The entire dwelling outside and inside was trashed with debris, junk, rotted food, insects, rodents, and just about anything one could imagine that is disgusting.

Upon entering the building, the SPCA discovered eight adult dogs living in conditions not even fit for beasts. The dogs were severely flea infested, scared, aggressive, and several had major health issues.

**PETUNIA'S RESCUE**

**Rescued from despair....  
infested with fleas.**

All eight dogs boarded the SPCA ambulance and were transported to the SPCA's facilities.

Two of the dogs were immediately adopted and several others underwent surgery and extensive medical care.

However, the eighth dog, Petunia was found to be pregnant and placed in a foster home where she was able to feel comfortable and nurture her litter in a safe, clean environment.

Petunia, in her new temporary home gave birth to four beautiful puppies, all of which were adopted just in time for the holidays. As for Petunia, she is now doing well in her new adoptive home.

**To Adopt-A-Day at the SPCA, please complete the attached pledge form and send it, along with your tax-deductible contribution.**

**This is just one of the hundreds of stories that the Lycoming County SPCA experiences every year.**

**You can make a difference for Petunia and animals like her every year.**

***ADOPT-A-DAY AT THE  
LYCOMING COUNTY SPCA***

**When you decide to ADOPT A DAY at the SPCA, you will help us continue our mission of caring for the homeless and abused animals we serve every year.....Like Petunia.**
