ABOUT THE LYCOMING COUNTY SPCA AND PINS FOR PAWS - BOWL FOR THE ANIMALS

Information to share with your team members and sponsors:

About Pins for Paws - Bowl for the Animals -

- This is the First-Ever *Bowl-A-Thon* to benefit the animals served by the Lycoming County SPCA.
- We are hoping to make *Pins for Paws* an annual event, held every April.
- We hope to make *Pins for Paws* grow bigger every year with more bowlers and money raised.

In 2009, the Lycoming County SPCA

- handled over 4,000 animals.
- investigated and checked back on over 1,200 cases of animal abuse or neglect.
- helped spay and neuter over 1,200 animals.
- educated over 40 local youth groups on dog bite prevention and pet responsibility.
- took animals to local nursing homes for over 25 pet therapy visits.
- benefited from over 3,000 volunteer hours with over 150 active volunteers.

The mission of the SPCA is to protect all domestic animals by: providing shelter, emergency treatment, investigation, and prosecution of cruelty or abuse complaints; adoption and counseling; education programs; and humane care throughout Lycoming County.

IMPORTANT INFORMATION

To help estimate the number of participants, we are suggesting that all participants pre-register for the event. However, registrations will be accepted at the event. Save \$5.00 by pre-registering before April, 13, 2010!

**Pre-Registration Fee - \$10.00 or \$15.00 at the door. *This minimum amount covers the cost of the Pizza Pins & Pop Party during the event.*

To help raise funds for the care of the homeless and abused animals in our service area and to be eligible for prizes, additional sponsorship donations are suggested and may be given to the SPCA on the day of the event.

Where does the money raised go?

- The goal of *Pins for Paws* is to raise money to benefit the thousands of animals served by the SPCA every year. Funds raised ensure reports of cruelty and neglect are investigated and that the animals at the SPCA receive proper vaccinations, medications, quality food, warm beds and a clean, sanitary environment to live in.
