Drop-off and Pick-up Procedures: The entrance for SPCA Safari Camp is at the double doors located at the front of the building. The front doors are unlocked at 10 A.M. but our staff will be expecting you before we open to the public. Parents/guardians are required to escort children into camp on Monday morning but may be dropped off at the curb on subsequent days. We look forward to meeting you and answering any questions you may have. Please enter the shelter to pick-up your child at the end of the day. **Anyone that has not been authorized to pick up a camper will not be allowed to check that camper out until SPCA staff has cleared that person with the camper's parent/guardian.**

Camp Activities: Children will learn about domestic animals that include birds, fish, horses, reptiles, rabbits, rodents, cats and dogs. There will be hands on activities with shelter animals, crafts, discussion, observations, speakers, and outdoor activities. Topics may incorporate learning skills of reading, writing, spelling, science, math, history, language, music, art, and geography. While activities do focus on animals, we do not *play* with animals all day. Camp sessions are age-appropriate and are designed to encourage respect for all living things. We will also spend some time outdoors on SPCA property. If your child requires sunscreen or bug deterrent, they must be able to apply it themselves or have it applied at home prior to camp. A copy of our camp curriculum is available for review.

About the Animals: Campers will interact only with approved animals that have had temperament evaluations. At no time will any camper be permitted to interact with any animal on their own. All interactions are supervised for the safety of your child as well as the safety and wellbeing of the animals.

Staff: Our Camp Director is a certified teacher in the State of Pennsylvania with documented background clearances. Staff assisting the Camp Director also have background clearances. If you have any questions about our staff's qualifications, please address them with the Executive Director prior to the start of camp.
